Main floor plan

Second floor plan

The image displays four architectural drawings of house styles, arranged in a 2x2 grid. Each drawing is a black and white line art representation of a house's exterior.

- Prairie:** A two-story house with a low-pitched hipped roof. The upper story features a series of tall, narrow windows. The lower story has a large, multi-paned garage door and a small, square chimney on the right side.
- Craftsman:** A two-story house with a steep gabled roof. The upper story has a series of square windows. The lower story features a large, multi-paned garage door and a small, square chimney on the right side.
- Modern:** A two-story house with a steep gabled roof. The upper story has a series of square windows. The lower story features a large, multi-paned garage door and a small, square chimney on the right side.
- Contemporary:** A two-story house with a steep gabled roof. The upper story has a series of square windows. The lower story features a large, multi-paned garage door and a small, square chimney on the right side.

Square footage, layout options and window locations may change with elevation changes.
