Lifestyle Packages

For The Way You Live

We believe that your lifestyle should determine what your home looks like and how it functions - not the other way around. At Coventry Homes we have developed Lifestyle Packages by listening to our customers and bundling the most requested features together.

Not only do these packages ensure your home showcases your personality and taste... you will also save 10% off the individual costs by adding a bundle of features you love!

Take a look through our brochure to decide which lifestyle speaks to you.

The Executive Chef®
no more takeout

- Premium stainless steel appliances including 36" duel fuel range, 24" pro-wash dishwasher, and 36" French door fridge with interior dispenser
- 24" built-in microwave with trim kit
- 36" stainless steel canopy hoodfan
- Gas line to range
- One additional set of pot/pan drawers in a base cabinet with an existing drawer
- 18" wide slide out double waste center with metal slide out rails
- $500 **Choices By Design** allowance

The Executive Chef® lifestyle package gives cooking new meaning. Indulge your inner chef and imagine all the money you'll save by creating those restaurant quality meals in the comfort of your own home.

The Executive Chef® built-in
change the look of your kitchen

- Premium stainless steel appliances including 30" built-in wall oven with 30" built-in microwave in cabinet tower 24" pro-wash dishwasher, 36" French door fridge with interior dispenser
- 36" stainless steel canopy hoodfan

Re-think what you know about basement development. We did! In fact, at Coventry, we have transformed the area once known to be cold and cramped into a space as comfortable and beautiful as the rest of your new home. Introducing Maximum Living® by Coventry Homes – basement house plans that let you maximize your home's square footage by turning the basement into a liveable place. And why not?

Maximum Revenue®
home of your investment

- Separate entrance
- Dedicated furnace and water heater
- Sound reduction in basement ceiling
- Full size stainless steel kitchen appliances including stainless steel single door fridge, dishwasher, stainless steel under cabinet hoodfan, 30" range.
- 30" high upper cabinets in the kitchen
- 3/4" quartz countertops with top mount dual bowl stainless steel sink
- Full three-piece bathroom with tub/shower unit
- Stackable washer and dryer (white)
- High performance carpet with 10 Lbs underlay throughout bedrooms and common areas (including stairs)
- LVT flooring in bathroom(s) and LVP/LVT on side-entrance landing

Think investment housing is out of your reach? Think again! Coventry Homes' Maximum Revenue® program allows you to build your new house with a basement suite that generates revenue. Build the home you want and have your tenants help you pay for it! Now that's a return on investment!

Let's build your ultimate lifestyle.

All of our home designs are flexible, allowing you to customize your floorplan, finishes and fixtures to suit you.

Did one of our Lifestyle Packages inspire you? Our team of Area Sales Managers are ready to help you start designing your dream home.
